

OSHA 10 Hour Construction Safety Course

Safety Group Member Special Offer Complimentary Registration

We are offering Keevily Spero Whitelaw Safety Group Members **one free registration** to our OSHA 10 Hour Construction Safety Course. But hurry space is limited. Safety Group members can register additional employees at a discounted price.

Create a safer work environment, lower your claim history, reduce insurance costs, prevent OSHA citations and fines, learn from a compliance expert. This is a course every business owner, safety manager, supervisor, human resource personnel should take....don't miss out.

This is a one and a half day training course, attendees must complete **both** days in order to receive a certification card.

Included in the training are topics such as, Fall Protection, Electrical, Ladders and Stairways, Personal Protective, Cranes, Scaffolding, Hazard Communications and much more.

Two Day Course:
Date: 1/12/12 & 1/13/12

Class Location:
6800 Jericho Turnpike
